

Guidelines for submitting Camera-ready Papers

All accepted papers at the CSCITA-23 must be re-submitted electronically in their camera-ready version. Please note that the inclusion of your paper in the conference proceedings is only possible if the following two actions are ensured and camera-ready versions are submitted on or before **10th March, 2023**, through the CMT conference submission website:

1. Final camera-ready version of the paper is required to be IEEE Xplore-compliant format and to be validated using IEEE PDF eXpress tool.
2. IEEE Copyright form: A link will appear at CMT Author page for each accepted paper. The copyright form link will direct you to IEEE Electronic Copyright Transfer page. Please download the filled and submitted copyright form in PDF format and upload to related paper ID at CMT system.

Guidelines for preparing Camera-ready paper

Proofread your source document thoroughly to confirm that it has been revised according to reviewers' comments and will require no further revision.

Using the PDF eXpress tool:

1. Go to the IEEE PDF eXpress Plus™ site <https://ieeepdfexpress.org/>
2. First-time users should do the following:
 - Select the New Users – Click Here link.
 - Enter the following:
 - 55725X for the Conference ID
 - your email address
 - a password
3. Continue to enter information as prompted.
4. An online confirmation will be displayed and an email confirmation will be sent verifying your account setup.
5. Previous users of PDF eXpress need to follow the above steps, but should enter the same password that was used for previous conferences. Verify that your contact information is valid.
6. Once your PDF eXpress account is set, validate the camera-ready version of your paper using IEEE PDF eXpress tool. Once your pdf file is validated at PDF eXpress tool, download the “PIDxx.pdf” titled version of your file generated at site, and upload this file as final version of your submission to CMT system.

Guidelines for including copyright information:

On the first page (only) of the camera-ready paper, include the following copyright code at bottom left: 978-1-6654-5987-7/23/\$31.00 ©2023 IEEE
